Councilman, Gabriel Vasquez, will not be able to speak as previously stated. We will keep you informed.

## CONCRETE BATCH PLANT

Representatives from the Greater Heights Community Alliance, Heights Association and HWHG and Gabriel Vasquez met with the owner of Siteworks concerning the installation of a Concrete Batch Plant as stated in the Heights Tribune. Fortunately, the site will not be a Concrete Batch Plant as stated by the TNRCC in their public notice. The site will use concrete but, it will be for decorative door frames and fireplaces. One resident responded with suggestions. Here they are: Art show, BBQ, updates on developments in the Heights, such as: status of the 19th street shopping center, new restaurants/stores in the area city's plan for the Nicholson Street easement, status trolley in the Heights, reviews of restaurants in the area new and

used home sales reports. These are great ideas. To get this info in the newsletter, we need help in getting it there. ## MILROY PARK

Milroy Park to Host Monthly "Saturdays in the Park" The Milroy Park Advisory Council (MPAC) will continue to host Saturday events for children and neighbors in the Heights community. The events are scheduled for the fourth Saturday of the month as follows - February 26, March 25, April 22, May 27 and June 24 - from 10 a.m. until noon at Milroy Park located at the corner of 12th and Yale Streets. For persons interested in helping, the monthly MPAC meeting takes place from 10 a.m. until 10:45 a.m. Coffee and light refreshments will be served. Afterwards, everyone is invited to stay and have volleyball, softball or soccer games, or just play with their children. At future events, members of the Houston Heights Assn. will be available to speak with Heights residents about signing deed restrictions and how to support their historical preservation effort. If you want a quieter activity, a decorative quilt to commemorate the new millennium, created by children from the neighborhood and the MPAC, will be an ongoing project. The Millennium Quilt, donated by Nava + Associates, is the second to be made for the community building. In 1998, a "Back to School" quilt was created and donated by Roxanne Claire of The Claire School of Dance, 1705 Heights Boulevard.

Come meet your neighbors, play family games, and learn how you can help preserve your neighborhood, too. Hope to see you in the park!
