For additional info on Mr. Bell's platform see his email address: chrisbellformayor.com

#### JUNE'S GUEST SPEAKER

Once again Height's own, and favorite Council member, Gabriel Vasquez will be our guest speaker. Mr. Vasquez has been a friend and a regular visitor to Heights West and the Greater Heights Community Alliance meetings. He has never turned down an opportunity to address us and has been very supportive of our members on a number of issues. So, bring a friend to see and hear what this very committed public servant has to say.

#### 2002 ?? - FLOODING IN THE HEIGHTS - 2002 ??

We hope, most Heights residents, survived Allison unscathed. Some of us did not. Neighbors across the street, had ankle-deep water in their homes and water damage to their vehicles. We had no water in our home but some water in our cars and several feet in our garage. A depressing mess. It is my understanding that in 2002, this may all change. A new federal law requires that interstate highways not be used as retention ponds. As some of you know, I-10 has served as such a retention pond. The I-10 flooding in 1994, 1998 and this year was some sight to see. Now hear this, if I-10 will no longer serve as a retention pond, where is all that water going to go???? I believe it's going into our neighborhoods. We must speak up now to have sufficient retention ponds built to handle the run-off during periods of heavy rain. We will work to get a speaker on this extremely important Heights issue. If you have or know someone knowledgeable about this issue, please let me know. Contact me at: upan52@yahoo.com

Also, be on the alert. Due to flooding, crime in our area could increase.

#### ANNUAL "NEIGHBORS NIGHT OUT"

This year, Neighbor's Night Out will be on Tuesday, August 7, 2001. As usual, HWHG will meet at the corner of 10th and Waverly. We will have refreshments, BBQ some hot dogs, some door prizes, etc. At our next meeting, we will continue getting organized, so please try to attend. If you have ideas, your input would be appreciated. Be sure to tell your neighbors and invite them to attend.

#### MEETING WITH MAYOR BROWN AND DIRECTORS

On June 4, at the Heights Multi-Service Center, there was a meeting with the Mayor and Directors of City departments. It was an extremely productive meeting. Updates to the Super Neighborhood's Action Plan (SNAP) were presented. We will update you at our next meeting.

#### NEW PLACES IN TOWN
