### MAY'S GUEST SPEAKER

**MAYOR LEE BROWN** is scheduled to attend our May 16 meeting and he has indicated that he will be there. What an opportunity for members of our community to meet and listen to the Mayor of the City of Houston. After a presentation from Mayor Brown there will be a question and answer period. Please make your plans now to attend this meeting. Remember: Contact your friends and neighbors and encourage them to attend this meeting.

### APRIL'S GUEST SPEAKER

Many thanks to Police Chief "Brad" Bradford. It was a very fortunate privilege to have him attend our meeting. Once again, if you missed this meeting, you missed a great opportunity to discuss your concerns with the number one police officer in the City of Houston. During his presentation the chief informed us about various emergency codes that are in effect. Code Blue, Yellow and Red. For more info on these, go to [www.whitehouse.gov/homeland](http://www.whitehouse.gov/homeland). We learned that by going to the police web page and clicking on (news releases), you would be updated with up to the minute news about police activity in the city. He alerted us to a "not-so-new" flim-flam operation in the city. Criminals are going door to door soliciting home repair. Chief Bradford said to ask for identification, to include their drivers license and the license plate number. He suggested to never pay up front. Pay part in the beginning, the rest when finished. One of the Chief's major projects is the formation of a new Traffic and Accident Division. This new Unit will consist of about 30 officers. One of their assignments will be to enforce the new 55 mph. Better obey this, the Chief says there is no grace period and zero tolerance for violators. Many more topics were covered. Again, many thanks Chief for being our guest speaker. Those that attended really appreciated it.

### SCHEDULE OF SPEAKERS

#### SPEAKER

Historical Ordinance Discussion  
City Council Member - Shelley Sekula

### TIME IS RUNNING OUT WE NEED YOUR FEEDBACK- NOW!!

A major issue that could affect the Heights in the near future is the Historical Ordinance. The building of town homes vs single family dwellings, a waiting period of 90 days before you can build, paint or make modifications to your home. How do you feel about this issue? Are you in favor or against? In the past six months I have received 10 opinions. Nine against the Historical Ordinance and one in favor. **NOTE:** It won't be long now before City Council votes on the Historical Ordinance. Time for informing me has run out. To voice your opinion you must call your city council representative, Ms. Annise Parker at 713-247-2014 or [atlarge1@cityofhouston.net](mailto:atlarge1@cityofhouston.net), Gabriel Vasquez at 713-247-2003 or [districth@cityofhouston.net](mailto:districth@cityofhouston.net), Gordon Quan at 713-247-2013 or [atlarge2@cityofhouston.net](mailto:atlarge2@cityofhouston.net).
